HELLA legendary lights

OFF-ROAD AUXILIARY LIGHTS

Take the adventure with you

Offroad – a word which many people associate with adventure and wilderness.

For HELLA however, offroad means so much more. For us it means the aspiration to keep developing new and even better products that can withstand extreme demands and stresses. The New HELLA BLACK MAGIC LED SERIES, our latest innovation, is proof of this.

This auxiliary lights, 100% LED technology, is always going to be an obvious choice for offroad use due to its heavy duty blackout design and compact dimensions.

BLACK MAGIC LED SERIES

THE NEW FULL BLACKOUT APPEARANCE

SPECIFICATIONS

- → Offers some of the toughest dust / water protection on the market
- → Full blackout appearance
- → Including mounting hardware
- → Sleek design
- → Specially developed reflector design for homogeneous illumination

For further information on each product, see general overview on page 8-19

Technical data

Rated voltage	Multi-voltage
Operating voltage	10 – 30 V
Current consumption	2.7″: 1.8 A (12 V) / 0.9 A (24 V) 3.2″: 3.4 A (12 V) / 1.6 A (24 V)
Power consumption	20 W (2.7″) 40 W (3.2″)
Light function	Spot or Flood
Light source	LED
Colour temperature	5,700 Kelvin
Material	Aluminium, black stainless steel bracket
Weight	350 g (single light 2.7″) 358 g (single light 3.2″) 372 g (flush mount 3.2″ single)

Protection class	IP 68, IP 69K
EMC protection	ECE-R10
Mounting	Upright / pendant or flush mounting
Connection	DT connector
Amount of LEDs	4
Length of cable	500 mm cable with DT connector + short adapter harness
Light performance (effective)	1,400 lm (2.7″) 3,000 lm (3.2″)
Application	For Offroad vehicles such as 4x4's, SUV's, Pick-ups, Buggy's, Quads, Trikes, Snow mobiles, Construction Machinery, Tractors

APPLICATION EXAMPLES

1) 2 x Black Magic Cube: A-Pillar mount – angled outside
2) 2 x Black Magic Cube: Bumper mount

PROGRAM OVERVIEW

Scope of delivery	Description	Part number
	LED Cube Kit 2,7″ (Flood) Includes: (2) LED spotlights, (1) relay, (1) switch and mounting instructions, (1) wiring harness with DT connector	**1FA 358 176-801**
	LED Cube Kit 3.2″ (Flood) Includes: (2) LED spotlights, (1) relay, (1) switch and mounting instructions, (1) wiring harness with DT connector	**1FA 358 176-811**
	LED Cube Kit 3.2″ (Spot) Includes: (2) LED spotlights, (1) relay, (1) switch and mounting instructions, (1) wiring harness with DT connector	**1FA 358 176-821**
	LED Cube Kit 3.2″ (Flood / Flush) Includes: (2) LED spotlights, (1) relay, (1) switch and mounting instructions, (1) wiring harness with DT connector	**1FA 358 176-831**

Technical data

Rated voltage	Multi-voltage
Operating voltage	10 – 30 V
Current consumption	2.6 A (12 V) / 1.3 A (24 V)
Power consumption	30 W
Light function	Spot or Flood
Light source	LED
Colour temperature	5,700 Kelvin
Material	Aluminium, black stainless steel bracket

Weight	470 g (surface mount version) 505 g (flush mount version)
Protection class	IP 68, IP 69K
EMC protection	ECE-R10
Mounting	Upright / pendant or flush mounting
Connection	800 mm cable with open ends
Amount of LEDs	6
Light performance	1,600 lm
Application	For Offroad vehicles such as 4x4's, SUV's, Pick-ups, Buggy's, Quads, Trikes, Snow mobiles

BLACK MAGIC LED SERIES

LIGHTBARS

The HELLA Black Magic Lightbars offer driving beams with very powerful lightoutput up to 15,000 lumen, ideal for off-road situations where you need this the most. They have a recognizable and attractive full blackout appearance, slim and edgeless design. Typical applications would be installations as Hood, Bumper, Ground Bumper and Roof Lightbars.
The product scored the highest dust / waterproof rating and the edgeless design prevents dust deposits from settling along edges.

The extra long 2 meter cable allows easy mounting on your vehicle. The Black Magic Lightbars have an integrated thermal sensor that adapts to the ambient temperature. This new feature not only prevents overheating or LED failure, but also increases light output when the ambient temperature is low. In this way the user is given the optimum light under all conditions.

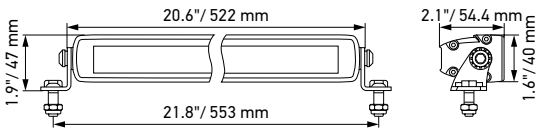

SPECIFICATIONS

- Full blackout appearance
- Including black brackets
- Sleek design
- Temperature Control System
- Intense light output
